YOO ON THE PARK CELEBRATES TOPPING OUT WITH CEREMONY IN MIDTOWN ATLANTA

Trillist Commemorates Construction Milestone for 25-Story Luxury Residential Property Adjacent to Piedmont Park with Pre-Leasing Slated to Begin in July

Atlanta, GA – May 9, 2015 – [The Trillist Companies, Inc.](http://www.trillist.com), a leading developer of the most innovative residential and mixed-use properties in the United States, today celebrated the topping out of YOO on the Park with a ceremony at the 25-story luxury residential property rising above Piedmont Park in the heart of Midtown Atlanta. The announcement was made by Scott L. Leventhal, President and Chief Executive Officer of the Trillist Companies, Inc.

The ceremony celebrated the achievement of everyone that has been a part of the design, construction and development team of YOO on the Park, including The Winter Construction Company, the project's general contractor, Corcoran Ota Group, the project's architect, and YOO Design Studio, Ltd., the project's interior designer and brand. YOO on the Park is part of a platform of branded luxury residential rental buildings developed by Trillist in a strategic partnership with London-based YOO Design Studio.

The highly anticipated residential development, located at 207 13th Street NE, will consist of a total of 245 studio, one- and two-bedroom luxury apartments ranging from 540 square feet to 1,923 square feet, as well as approximately 1,030 square feet of ground-floor retail space.

“Trillist is committed to bringing top-of-the-market properties to each respective region in which we develop, and reimagining the contemporary urban luxury lifestyle,” said Mr. Leventhal. “YOO on the Park offers a level of style, sophistication and refined luxury that is unmatched by any other building in the marketplace, with exceptional service, next-generation technology, elegant design, spectacular views of Piedmont Park, and world-class amenities consistent with great international cities. YOO on the Park will feature services and amenities unlike those of

typical residential properties as part of Trillist's *The Art of Living*SM program. Such services include in-home package delivery, dry cleaning delivery, move-in coordination, and more. We are already receiving great interest from home seekers drawn by this distinctly different residential offering.”

YOO on the Park will commence pre-leasing this summer, with occupancy expected for early fall 2016. Residences will feature amenities including private balconies with spectacular views of Piedmont Park, Midtown, Buckhead and Downtown, a resort-style saline pool, premium cabinetry imported from Milan, Italy, stainless steel appliances including counter-depth refrigerators, in-unit 1Gbps Wi-Fi and fiber connectivity, fully equipped 24-hour fitness center, outdoor cross-fit and yoga terrace, and a distinctly pet friendly atmosphere, including Trillist's signature *Pet Respite*SM.

The property is conveniently located near I-85/I-75, and within four blocks of the Arts Center MARTA rapid rail station, offering easy access to the Hartsfield-Jackson International Airport to the south, and Buckhead and North Atlanta to the north.
